## Luminora Light - Where geometry meets poetry

Lifestyle brand Moooi, is proud to reveal their latest design: Luminora Light by Cristina Celestino. Inspired by the grandeur of Murano glass and the mathematical elegance of the golden ratio, Luminora Light merges craftsmanship with modernity. Its sculptural, floating design embodies simplicity and complexity, creating a luminous sculpture where the structure is light itself. The V-shaped diamond optical pattern and transparent flexible LED tubes produce a mesmerizing optical effect. The sculptural light is timeless, adaptable, and inviting for any style, in any space - modern or classic, homes or hospitality.

Luminora Light comes in two sizes: 45cm and 63cm - offering versatile installation cluster options. Available from €1,695 on 26 November 2024 at [Moooi.com](https://moooi.com) and selected dealers. Additionally, Luminora Light is compatible with Moooi's Wireless Wall Switch for the easiest way of dimming and full smooth dimming range. It comes fully assembled with the top and bottom brackets elegantly finished in a champagne colour.

*"I imagined light as the purest essence, a concentrated form of radiant energy held within the sheerest geometries."*

#### **A SCULPTURAL FLOATING MARVEL**

Luminora Light is more than just a lighting fixture; it's a conceptual installation bringing unique character to any environment. Whether installed individually or in clusters, its sculptural, floating design creates a stunning visual impact. Its design merges geometric precision with extraordinary aesthetics – creating a piece that is both minimalist and complex, emotional and rigorous. The refined detailing ensures that every aspect of Luminora Light contributes to its captivating presence. Suitable for residential, hospitality, and commercial projects, this versatile piece redefines lighting design.

#### **ABOUT CRISTINA CELESTINO**

In 2013, Cristina Celestino established her studio in Milan and has since engaged in a diverse range of projects spanning residential, hospitality, commercial, creative direction, and product design. Her innate freedom of observation, combined with her erudite, curious, and playful nature, sets her apart. With a great capacity for scientific and aesthetic investigation, she is obsessed with material and geometry. Cristina navigates through history and traditions, altering the scale of objects to create new conceptual and decorative canons, where nature speaks to us in harmony. She intertwines a transdisciplinary approach with analytical rigor, leading to unexpected spaces, objects, and experiences. Other designs for Moooi include the Aldora Sofa, Vis a Vis, and Chaise Longue.

#### **ABOUT MOOOI**

For over twenty years, Moooi has inspired and seduced the world with sparkling and innovative designs. The venture founded in 2001 is currently led by Marcel Wanders and Robin Bevers. Moooi is named after the Dutch word for beautiful - Mooi. The third 'O' in the brand name stands for an extra value in terms of beauty and uniqueness.

Moooi does not tell designers what to do, but listens to what designers want to make, and realizes their dreams. Eclectic and always on the edge of commercial reality and cultural interest. To trigger, to create conversation pieces which make your environment more special. With their multi-sensorial approach, the lifestyle brand merges the physical with the digital. A Life Extraordinary!
