Random Light Led Floor Lamp

by Bertjan Pot

For the first time the Random Light stops drifting and comes down to earth...literally! It's the first floor lamp available in the Random light family and the ideal 'light' solution to furnish any space.

Designer	Bertjan Pot
Year of design	2010
Material	fibreglass soaked in epoxy resin, matt chromed steel base (white), semi gloss black powder coated base (black), matt aluminium heat sink and opal glass

cleaning instructions

Due to the intricacy of the Random light it is advised to regularly use a feather duster to remove dust particles.
