Heracleum II Small

The decorative LED lamp inspired by the Heracleum Plant now comes in two sizes.. Theleaves ramify from a branch creating a very technical, natural structure. By using the technique of coating conductive layers. A design not possible with normal wires.

Designer	Bertjan Pot
Year of design	2012
Material	Metal wire frame, poly carbonate lenses ultra thin suspension wire.
Additional	Designed by Bertjan Pot Powered Through Electrosandwich By Marcel Wanders

detailing

The Heracleum leaves are not frozen in one position. They can be freely re-positioned by rotating them around their stem.

New: Heracleum includes a new LED that allows endless technical possibilities, making this new version much more efficient while providing unique and sparkling illumination.

technical general

Amount of LED's:
45

Input voltage:
200-265V ~ 50/60Hz

Output voltage:
6V

Voltage on lamp < 5V DC (actual lamp surface
functions as a conductor!)

Power consumption:
Max 17W

Colour temperature:
2700K

Light source:
LED (Solid state)

Lumen:
389lm

Dimmable:
Yes mains I-10 (compatible with most
domotica systems)

For more information about the power
supply/driver specs

Cable colour:
Transparent

Cable length:
4M | 13.1ft (transparent) can be shortened
down to 30cm | 11.8"

Energy label:
B

Recommended dimmer specs

For fluent dimming behaviour we advise a dimmer that is compatible with the following specs:

Transformer type: Electronic Low Voltage (ELV)

Load type: Capacitive load (C-Type)

Dimmer type: Trailing edge / Reverse phase, 1-10V dimmable (please make sure the right provisions are made for 0-10V/1-10V dimming)

Please note the functioning of the dimmer and the power supply combination can never be predicted, it always needs to be tested in practice.

For more information about the dimmer/driver specs

technical (cULus)

Dimmable with mains voltage dimmer (dimmer for incandescent, halogen)

Please make sure to use a dimmer rated for a low power luminaire.

Input voltage of 110-127V~60Hz AC

Voltage on lamp < 5V DC (actual lamp surface functions as conductor!)

packaging

H 85CM | 33.5"

W 85CM | 33.5"

D 68CM | 26.8"

Colli 1/1

Product weight:

6KG | 13,23lb

With Packaging:

8,5KG | 18.74lb

cleaning instructions

Can be effectively cleaned using a regular household dust cloth or feather duster. Lightly dust inbetween each component when the lamps are not in use. Moooi recommends always reading the label of any cleaning products you wish to use on or near any item from the Moooi collection. For further information on how to clean this product please contact your nearest Moooi agent or dealer which can be located through our website.
