## Heritage & Oil Pillows

---

by Marcel Wanders

The soft cushions are the paintings produced by the artistic imagination of Marcel Wanders, embodying the dynamic soul of the art that we can admire at the Heritage & Rijksmuseum. Cherish the elegance of the black and white symphony of graphic motives depicted on the Heritage Cushions, or the luscious richness of the abstract deep red strokes portrayed on the Oil Cushions. The cushions are sold individually, so choose the most inspiring works of art to match your very own canvas!
